Correction to: Effects of 12-week Tai Chi program on physical function, depression, and quality of life among cognitively impaired older adults: a feasibility study

Hyunkyung Oh¹ , Rhayun Song^{2*} and Seon Joo Kim³

Correction to: BMC Geriatrics (2023) 23:118
<https://doi.org/10.1186/s12877-023-03840-2>

After publication of this article [1], the authors reported that Hyunkyung Oh was incorrectly denoted as the corresponding author, but it should have been Rhayun Song. The original article [1] has been corrected.
